To the National Federations of World Cup European Central League

Re.: World Cup European Central League Final CSI-W 14 – 16.03.2008, Warsaw.

Dear All,

We are enclosing the Schedule of CSI-W Warsaw explaining the matter of invitations to the World Cup European Central League (the problem consulted with the FEI Jumping Department Director, Capt. John P. Roche).

> The top 10 riders from the North League and the top 10 riders from the South League are entitled to compete to qualify for the Final in Goteborg (in two semifinal and a Final competitions in Warsaw). Moreover, they may start in the competitions of small and big rounds of CSI with 2 additional horses.
> The riders from the 11 – 15 places of both subleagues (after the last qualifier CSI-W Gomel, 29.02-02.03.2008) are invited to compete in these competitions too. They can come with two horses, one for competing in CSI-W and the second in CSI (small or big round).
> If the rider of the top 10 resigns of competing in Warsaw <u>there is no substitution</u> by the next (for example the eleventh one) in competing for qualifying to Goteborg points. However, the 16th one or the next is invited to Warsaw.

Be so kind and inform us about your qualified riders' plans of competing in Warsaw Final and all the others who would like to compete in Warsaw (the riders names).

We warmly invite the riders of the NFs (one of each) which do not have the representatives entitled to the Final competitions. They will be able to compete in CSI. We would like to see in Warsaw the representatives of all countries of the European Central League.

If you have any other questions do not hesitate to contact our Federation or the Organizing Committee.

I am looking forward to hearing from you,

With Kind Regards,

Marcin Szczypiorski
President
Polish Equestrian Federation
