Salland spares no expense with new international show

The Equestrian Association De Heemruiters, the Manege Bartels Foundation and EQ International (organizer of a.o. Hippisch Hengelo, Zwolle International and Outdoor Gelderland) have all joined forces: CSI Salland- an international two star show- will be organized from 15 to 18 March 2012. Jeroen Bakker, chairman of De Heemruiters, is very much looking forward to the event. "We have been organizing the Sallandse Equestrian Days already for a long time and the idea of going international has been an ambition for many years. We have an accommodation with Agterberg footing and two big arenas which offers a lot of possibilities. ", reported Jeroen Bakker.
