President  
Para-Equestrian Trainers Club

Deerlijk, December 2018

Dear National Federation,

The Para-Equestrian Trainers Club was set up to help trainers from all over the world to exchange ideas, experiences and to stimulate the development of the Para-Equestrian Dressage in all "equestrian countries" and to develop suggestions for the Para-Equestrian Committee.

A clinic for Para-Equestrian trainers will be held in Waregem (Belgium) from 22 to 24 February 2019, focussing on the *What the judges would like to see in FEI Para Dressage Tests*.

The Course Director will be:

- Anne d'Ieteren (BEL), Chair of PETC
- Anne Prain (FRA), FEI 5\*PD Judge
- Marco Orsini (GER), FEI 5\*PD Judge and PD Judge General

I hope that you can inform all your trainers, not only the ones already involved in the Para-Equestrian movement but also all other trainers who can help to develop this sport in your country.

I hope we can meet your trainers at this seminar.

We would be happy to help you in the future.

Best Regards,
