4. CONDITIONS FOR PARTICIPATION

According to Baltic Dressage League General Rules 2019, NF Rules of Lithuania and FEI Dressage Rules.

Baltic Dressage League General Rules 2019: <http://balticriders.com/bdl/rules/>

Participation is open for all athletes of EST, LAT, LTU, RUS, FIN, POL, BLR, etc. nationality.

All athletes and horses have to be registered by their respective NF and their competitive licenses have to be valid and up to date. **Vaccination against Influenza is required.**

Participants registered with other NFs are accepted, but they won't be able to collect points towards the final Baltic League ranking, except foreign nationals who are residents of EST, LAT, LTU, RUS, FIN. Riders from another country of the region (Poland, BLR etc.) can collect points, if said country will organize a Baltic Dressage League Series competition in their country during 2019 season.

If the age bracket permits, one rider/horse combination can compete at two adjacent levels, for example a Pony Rider can also participate in the Children division.

Rider/horse combinations having participated at international competitions (CDI) at a higher level than at BDL, cannot compete at BDL level. For example, if a Junior pair has competed at a CDI at Young Rider (PSG) level, they cannot compete at BDL Junior Level (M) and have to enter the BDL competition at YR (PSG) level.

Children under 12 can compete in Children's class with a written letter of permission from their parent.

One horse can start up to two times per day, under the following conditions:

1. Once in Young Riders/PSG/Inter 1/GP level classes;
2. Once in Young Riders, PSG/Inter 1/ level classes AND once in Juniors, Open M, Childrens, Amateurs 22+, Pony riders or lower level classes;
3. Twice in the Juniors, Open M, Childrens, Amateurs 22+, Pony riders or lower level classes.

The competition will be generally following FEI Dressage Rules 25th edition, with updates effective January 1st, 2019. Exceptions and issues that are not covered by FEI rules, will be outlined in this document or solved case by case, by the Baltic League GOC.
