Re: **FEI Solidarity Programme & Coronavirus - COVID-19**

Dear NFs,
Dear Tutors and Technical Experts,

Considering the fast evolution of the Coronavirus (COVID-19) outbreak all over the world, and in line with the FEI risk management policy, it has been decided to put on hold all FEI Solidarity activities taking place in the field until end of April.

This concerns all Tutors and Technical Experts acting within the framework of the FEI Solidarity Programme in the field in various countries.

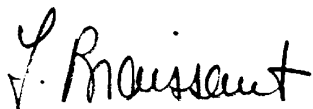

A new evaluation of the situation will be made at the end of April.

For those who have already arranged their activity/travel, these will need to be postponed or cancelled. For those persons in this situation, please do not hesitate to contact us should you require our assistance.

We regret this decision which is beyond our control.

Thank you for your understanding.

Kind regards,
