Points from the Event: The competitor may compete on un-limited number of horses. Only the best result of every competition will be counted (look at the table for counting points), only competitor will have the points of the best horse. If one competitor attains 1., 2. and 3 place he/she will get the points of the first place. The 4. place attained competitor gets the points of the second place etc. (competitor who has started with several horses don't hold on to points.)

No points will be awarded for Competition No. 1b and No. 3b.

In competitions 1a and 1b can one couple of competitors to start only in one calculation.

In competition 3a started competitors can get calculated in competition 3b as well, in case they have paid both start payments.

Table for counting points:
